

Don't replace KLOVE 93.3 KRKL with an LPFM!
KLOVE serves me as my primary FM station. All other "secular" FM station contain objectional material not suited for family ears!
I cannot listen to non christian radio stations without being offended.
To take KLOVE away would be the greatest offense.
It is in the public interest to keep ALL KLOVE stations on the air!
If America has any hope in securing for future generations the Christian heritage this nation was founded on. To take KLOVE off the air to make room for LPFM is just another step toward removing what's left of our Christian heritage. You wouldn't remove the words "In God We Trust" from our money! Don't replace KLOVE with "secular" crap that now fills the FM dial from end to end. Non Christain FM stations abound with material just as bad as Janet Jacksons Super Bowl costume "malfunction!" Don't take KLOVE off the air! I wouldn't listen to any "secular" LPFM station where KLOVE replaced. I'd let Congress know my displeasure were KLOVE to be taken off the air.
